Ref.No.COE/ESTT/2017/1653   Date: 28/12/2017

Dear student's kind attention ….avail the opportunity of participating in
SMART INDIA HACKATHON 2018.

All India Council for Technical Education (AICTE) in collaboration with i4C and Persistent Systems has taken a unique initiative as **_Smart India Hackathon 2018_** to identify new and disruptive digital technology innovations for solving the challenges faced by our country.

It is a great opportunity for the students to come-up with their innovative ideas corresponding to the problem statement raised by the Indian Government. Hence, interested students who would like to solve challenges of the government of India can register their team and project against the several problems posted on the AICTE Smart India Hackathon 2018 i.e. SIH 2018 website. For further detailed information about the schemes, eligibility criteria, requirements, terms and conditions, kindly visit https://innovate.mygov.in/sih2018/

Note:

1. Students whose project team gets selected a cash prize of Rs. 5000/- will be given to the team.
2. There are more than 402 challenging problems exclusively from different government organizations.
